Helpful Hints

- ❖ You can breastfeed, even if you plan to go back to work, or you have a Cesarean birth, or your baby is premature, or you have twins...even triplets!
- ❖ Start early and continue to build a strong support network.
- ❖ Nurse often. The more your baby nurses, the more milk you will have.
- ❖ Hold your baby skin-to-skin as much as possible.
- ❖ Nap or rest with your baby when you can.
- ❖ And don't forget to drink water to thirst.
- ❖ Babies nurse for nourishment and so much more. Nursing can soothe pain, calm fears, and comfort babies.
- ❖ Talk with someone who has enjoyed nursing, such as a La Leche League Leader.
- ❖ We can help you to reach your breastfeeding, chestfeeding, and human milk feeding goals.
- ❖ The more you know before you have a baby, the better prepared and more confident you will be!

DURHAM LA LECHE LEAGUE

2026

Nursing Babies, Nurturing Families

We offer support and connection to all who want to breastfeed, chestfeed, or provide human milk to feed their little ones.

Whether you are pregnant and have questions, or you are facing a challenge, or nursing is going smoothly and you'd like to help support others...
